The screenshot shows the Thunderbird email client interface. At the top, there are tabs for 'Inbox', 'Calendar', 'Tasks', and 'Chat'. Below the tabs is a menu bar with options: 'Get Messages', 'Write', 'Chat', 'Address Book', 'Tag', 'Quick Filter', and a search bar. The main area is divided into three sections: a left sidebar with a folder tree (Inbox, Drafts, Sent, Trash, Local Folders, Trash, Outbox), a central message list with columns for 'Subject', 'From', and 'Date', and a right sidebar with an 'Events' calendar showing '18 Tue' and 'Aug 2015 CW 34', along with a 'New Event' button and a list of 'Today', 'Tomorrow', and 'Upcoming (5 days)'.

Welcome to Thunderbird

Why we need donations

You might already know that Thunderbird improvements are no longer paid for by Mozilla. Fortunately there is an active community keeping it running and developing it further. But to survive long term, the project needs funding.

Thunderbird is currently transitioning to an independent
