Make Email Easier.

Thunderbird is a free email application that's easy to set up and customize - and it's loaded with great features!

FREE DOWNLOAD

[Systems & Languages](#) • [What's New](#) • [Privacy](#)

Want to try new features early? Get the beta and be a part of the future of Thunderbird! **GET THE BETA**

The screenshot shows the Thunderbird email client interface. At the top, there are tabs for 'Inbox', 'Calendar', 'Tasks', and 'Chat'. Below the tabs is a toolbar with 'Get Messages', 'Write', 'Chat', 'Address Book', 'Tag', and 'Quick Filter'. A search bar is on the right. The main area displays an email list for 'tinderbox@foo.invalid' with columns for 'Subject', 'Correspondents', and 'Date'. The email list includes:

Subject	Correspondents	Date
Meeting reminder	John Doe	2020-09-19 11:52 am
Client report attached and info...	Jane Doe	2020-09-18 2:40 pm
Enter the contest to win...	Marketing newsletter	2020-09-17 6:45 am

On the right side, there is a calendar view showing '19 Sat Sep 2020 CW 38' and a 'New Event' button. Below the calendar is a 'Today' section.
